M/047/010

Joelle, On Friday August 14, 1998, I received a message from Neldon Kunz of American Gilsonite Company. He was calling to make a correction to the August 3rd letter (memo?). Neldon pointed out that the inspection memo of August 3, 1998 incorrectly mentioned site LE-3 as being a site we needed to look at. ACCORDING TO NELDON, THE AUGUST 3 MEMO SHOULD HAVE REFERRED TO SITE LE-4 AS BEING THE SITE WE NEEDED TO LOOK AT.

Please send a copy of this correction note to file M/047/010.
Thank You.
